**%20** Game  
Token Sales  
**840.000.000 tokens**

**%20** Team &  
Founding Sales  
**840.000.000 tokens**

# Uses of the Cannfinity Token in the Cannabiscountry Ecosystem:

**1 Purchases on The Platform:** The token can be used to purchase items and services on the Cannabiscountry platform, such as shopping in our Metaverse Shop offering over 750 CBD and hemp products or buying virtual goods or tickets for our events.

**2 Metaverse Integration:** Within the Cannabiscountry Metaverse, users can use the token to acquire virtual land, buildings, or decorations to help them expand their virtual presence and improve their online experiences.

**3 Events and Trade Fairs:** Cannfinity Tokens can be used for entry to our events or trade fairs focusing on the cannabis industry and the crypto ecosystem. Participants can also use the token to book virtual or offline booths and presentations.

**4 Trading of NFTs:** On the platform [www.420.work](http://www.420.work), users can trade NFTs (Non-fungible Tokens) related to the cannabis industry. The Cannfinity Token is used as a means of payment for such transactions.

**5 Cannadventure Game:** Players can win Cannfinity Tokens in the Cannadventure game by achieving certain milestones or participating in special in-game events. In total, 1 billion Cannfinity Tokens will be distributed in the game over the next few years.

# Uses of the Cannfinity Token in the Cannabiscountry Ecosystem:

**Partner Shop Discounts:** Cannfinity Token holders can benefit from discounts in partner shops belonging to the Cannabiscountry ecosystem.

**Inflation Control:** The staking pools are secured by controlled inflation mechanisms to ensure a stable value development of the Cannfinity Token.

**Interactions Within The Community:** The Cannfinity Token can be used to give other users tips or rewards for helpful contributions and activities within the Cannabiscountry community.

**Staking Options:** Token holders can stake their Cannfinity Tokens for various periods to earn attractive returns. The staking rewards are structured as follows:

▶ 30 days: 5% ▶ 90 days: 7% ▶ 180 days: 10% ▶ 365 days: 12%

The Cannfinity Token is listed on PancakeSwap, one of the leading decentralized exchanges on the Binance Smart Chain (BSC). Users can easily acquire, trade, and participate in staking the token there.

**Participation in Exclusive Events:** Token holders can use their Cannfinity Tokens to gain access to exclusive events and meetings within the Cannabiscountry ecosystem. These can take place both online and offline, offering networking opportunities and learning new skills.

The Cannfinity Token is an important part of the Cannabiscountry ecosystem and allows users to interact and participate in various areas. Through integration into the Metaverse, events, trade fairs, NFT trading, and the Cannadventure game, the Cannfinity Token offers investors and users the opportunity to participate in the growth and success of the exciting cannabis industry. With the attractive staking program and the diverse use cases, the Cannfinity Token is a forward-looking project that connects the financial world and the cannabis industry.
